

process_manager

```
graph BT; EXAMPLE[EXAMPLE] --> process_manager[process_manager];
```

A diagram showing a relationship between two entities. At the top is a white rectangular box with a black border containing the text "process_manager". Below it is a gray rectangular box with a black border containing the text "EXAMPLE". A blue arrow points vertically from the top of the "EXAMPLE" box to the bottom of the "process_manager" box.
